I. Advisory Board Structure:

A. The Advisory Board will be composed of a minimum of seven (7) and a maximum of nine (9) members. Staggered terms of Advisory Board service will be for three (3) years. No member may serve more than two (2) consecutive terms. Former Advisory Board members shall be eligible to be re-elected to the Advisory Board after a one (1)-year hiatus. The Board shall have the authority to make exceptions to this policy if it is deemed to be in the organization’s best interest.

B. Officers of the Advisory Board shall consist of a Chair and Vice Chair to be elected for a two-year term at the Annual Meeting. A member may serve in each officer role for a maximum of two (2) years. The Board shall have the authority to make exceptions to these terms if it is deemed to be in the organization’s best interest.

C. An ad hoc Nominating Committee shall convene annually in advance of the Annual Meeting to solicit, evaluate, and recommend candidates for Advisory Board service. The Nominating Committee may also be convened to consider replacement or additional candidates for Advisory Board service as requested by the Advisory Board. The Nominating Committee shall be comprised of the Chair, Vice Chair, and Immediate Past Chair.

D. All Advisory Board members must be current in their financial commitment (annual gift) to Women in Philanthropy (WIP).

E. New Advisory Board candidates and those standing for a second term shall be elected by a majority of the membership in attendance at the Annual Meeting. The Advisory Board is authorized to replace or add Advisory Board members without an interim election by the membership, subject to the limits prescribed above.

F. Standing committees shall be Communications, Education, Events, Finance, Governance, Grants, Membership Cultivation, and Membership Records. Other standing or ad hoc committees may be established by the Chair as needed. The Chair will have the responsibility to appoint standing committee chairs from the Advisory Board members, and ad hoc committee chairs from the Advisory Board or general membership.

G. At least one (1) staff member or Trustee of the Community Foundation of the Lowcountry (CFL) Board shall be an ex officio member of the Advisory Board. At the request of the Advisory Board, the CFL staff member may serve as Secretary.

H. The Advisory Board will have the authority to make amendments and changes to the Operating Guidelines and distribute to the membership in a timely matter.
II. Membership:

A. Membership shall include all women who wish to enhance their philanthropic impact via collective giving from the WIP Endowed Fund.

B. Membership will coincide with the calendar year, and will renew each January thereafter. Membership will be conferred from January 1 through December 31 upon those who make an annual gift in the following levels:

- Minimum Contribution: $300
- Diamond: $3,000/3-year commitment ($1,000 per year)
- Legacy: $10,000/3-year commitment ($3,333 per year)

Members joining in the second half of a calendar year are asked to make a short-year gift of at least $150 to attain membership status.

Gifts at the Legacy level will confer lifetime membership in WIP, without the requirement for additional annual gifts. Founding WIP members – those who initiated the WIP endowment with pledges of $3,000 – will be deemed Legacy Members with lifetime membership based upon a $7,000 pledge, with annual gifts greater than or equal to $2,333 over a 3-year period.

C. Membership gifts will be confirmed in writing. In keeping with Internal Revenue Service regulation 501(c)(3), member gifts are tax-deductible, as allowable by law. Reminders of membership renewal shall be published in the newsletter, and in the event of non-renewal, a letter will be sent to the member.

D. A Membership Directory will be maintained and published electronically by WIP’s CFL Liaison. Use or distribution of the membership roster or members’ contact information for non-WIP purposes is strictly prohibited.

III. Grantmaking:

A. The purpose of WIP grants shall be to strengthen families and individuals who live or work in Beaufort County in the areas of arts and culture, community development, education, environment, health and human services. With this in mind, the Advisory Board shall review and approve the Grants Committee’s suggested criteria and award recommendations.
B. WIP’s nine-month grant-cycle process shall include development and communication of detailed application criteria, followed by rigorous scrutiny of qualified non-profit organizations and their proposed use of funds. Grant recipients will be monitored through the award year to be sure that grants are used as designated. It is important to note that neither an invitation to apply, nor the submittal of an application, assures receipt of a grant.

C. WIP’s Endowment Fund is a “Field of Interest” fund of the CFL. As such, grants may only be awarded to organizations with 501(c)(3) non-profit status under the Internal Revenue Code, and are subject to approval by the CFL Board of Trustees.

D. Both WIP and the CFL adhere to a strict Conflict of Interest Policy. A WIP member who is, or has a familial relationship with, an agent of a grant applicant will recuse herself from any discussion or consideration of the applicant. However, this Conflict of Interest Policy does not extend to general membership in an applicant organization.

IV. Financial:

A. Members’ annual gifts shall be divided evenly between the Endowment and the Grant Allocation.

B. The member Grant Allocation plus up to 4.5% of the Endowment, based on a 20-quarter moving average of the Endowment fund’s market value, comprise the Spendable funds.

C. Operating funds shall be distinguished from Endowment /Spendable funds and accounted for separately.

D. Operating funds are used to cover event and meeting costs; complimentary event fees for grant recipients, speakers or other invited guests; and other nominal administrative expenses.

E. Sources of Operating funds include event fees and gifts designated for operations. It is customary for Advisory Board members to make an additional $100 annual operating fund gift.
